2024

The image shows two plants in white planters with a brown and gold marble pattern. The plant on the left is a tall, variegated plant with long, narrow, yellow and green leaves. The plant on the right is a snake plant with thick, upright, green leaves with yellow variegation. The planters are sitting on a grey tiled surface. In the background, there is a wooden wall and a striped outdoor cushion.

Exotic is an Indian brand, dedicated to designing, developing and manufacturing high quality pots and planters to meet your every need. Since our foundation in 2000 we aim for an extensive collection that is based on the belief that design should be available for every one. So here we are always looking for the perfect balance between design, quality and customer satisfaction.

Every Exotic product is designed from a simple but clear perspective. We believe in basic forms and shapes and try to give it the best possible look.

To give you a complete overview of all the collections and products we produce, we proudly present to you this brand new catalogue that displays our collection in a simple, clear and fresh manner.

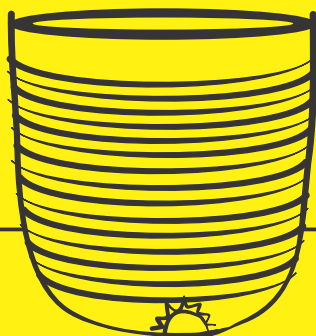

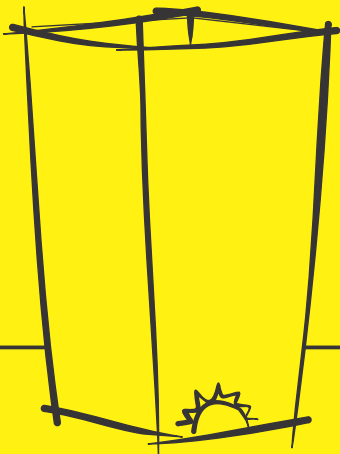

*Enjoy the new collection
and grow with us!*

INTRODUCING THE ALL NEW WIRELESS AND CHARGEABLE ILLUMINATED PLANTERS...!

Inspired by the ambience of outdoor landscape lighting, our illuminated planters bring the same soft lighting inside and outside of your home.

Cozy LED light gently illuminate plants to showcase them in low light while setting a relaxing mood.

With these illuminated planters you can enjoy and show off your plants in daytime or at night.
